Step 2. Requesting a portal invitation email

If you did not receive an email, or if it has expired, you can request a new one online at our website at <http://www.CompassPropertyManager.com> and click the "Owner Login" link. On the next page you will click the "Sign up" link and fill out the appropriate information to request portal access. It may take up to 1 full business day to have your account approved.

The screenshot displays the website's navigation bar with social media icons and links for "Owner Login", "Resident Login", and "Blog". A red arrow points to the "Owner Login" link. Below the navigation is the "Owner Portal" section with the sub-header "View Account And Statements Online". A photograph of hands typing on a keyboard is shown. To the right is the "Owner Portal Login" form with fields for "Email Address" and "Password", a "Sign In" button, and a "Forgot your password?" link. Below this is a "Don't Have an Account?" section with a "Sign up" button, also indicated by a red arrow. The "Benefits" section lists advantages like viewing statements online and managing portfolios. The "Signup" form below includes fields for "First Name", "Last Name", "Email", "Address", "Address 2", "City", "State/Province", "Zip/Postal Code", and "Comments", with "Submit" and "Cancel" buttons. A "Help" section provides contact information for the property manager. The footer features the Propertyware logo, a RealPage Company.
